2017

7th MOSCOW BIENNALE OF CONTEMPORARY ART / STATE DARWIN MUSEUM, MOSCOW

EXPANDING TERRITORIES | department of lost places and new memories.

The core of the exhibition/project is the sustainable development of the "inbetween" territories: the lost places and traces far away from defined routes, rarely visited. Our goal is to draw attention to this kind of places and discuss new approaches and possible ways for expanded knowledge and new connections.

(Sep 16 - Oct 22)
